Guidance Notes

Motor insurance documents are quite complicated, so we have provided guidance notes to help you understand your cover. These notes are not part of the contract.

It is important that the information you give us is accurate, otherwise your insurance may not be valid.

You must read this insurance document together with your schedule and certificate of motor insurance.

Guidance Notes

The schedule should show details of you and your vehicle and the cover you have asked for.

Your own schedule will show which parts of this insurance apply to your vehicle as long as you have paid the premium.

Please check that this is the cover you asked for and tell your insurance adviser if you have any questions.

We only issue a certificate of motor insurance if you have cover which allows use on the road.

It is important to read your certificate of motor insurance to see how you may use your vehicle. We do not cover certain uses.

United Kingdom - England, Scotland, Wales, Northern Ireland, the Isle of Man and the Channel Islands.

We,us,our - Chaucer Insurance.

You, your - the insured person named in the certificate of motor insurance and the schedule.

Your vehicle - the insured vehicle shown in the schedule.

Cover

The cover you have chosen is shown in your schedule. We have divided your cover into different sections.

- 1 **Comprehensive** - If you choose comprehensive cover, all the sections of this document apply.
- 2 **Third party fire and theft** - If you choose third party fire and theft, sections 1, 2, 3, 4, 6, 7, 12, 14 and 15 only apply. The cover under section 6 is restricted to loss or damage caused by fire, theft or attempted theft.
- 3 **Third party only** - If you choose third party only, sections 1, 2, 3, 4, 12, 14 and 15 only apply.
- 4 **Fire and theft only** - If you choose fire and theft only, sections 6, 7 and 14 only apply. The cover under section 7 is restricted to loss or damage caused by fire, theft or attempted theft. (You can only have this cover if your vehicle is kept in your locked garage and is not being used.)
- 5 **Off the road cover** - If you choose off the road cover, sections 5, 6, 7 and 14 only apply. The cover under section 7 is restricted to loss or damage caused by fire, theft or attempted theft. (You can only have this cover if your vehicle is kept in your locked garage when unattended.)

If the insurance is not in one person's name, section 10 is cancelled. The general conditions and exceptions apply to all sections of the insurance.

Use

Your vehicle will only be covered if you are using it in the way agreed on your certificate of motor insurance, or any endorsements. This insurance also provides cover while you use your vehicle for:

- static and road safety rallies; or
- other rallies as long as no merit is attached to the competitor's performance while driving, except in relation to good road behaviour and meeting the Highway Code; or
- treasure hunts as long as the route is not more than 100 miles (160 kilometres).

Unless we agree beforehand, your vehicle will not be covered while it is being used for any other form of competition, rally, trial, track day, performance test, timed lap, race or speed trial (whether between motor vehicles or otherwise). This exclusion applies even if the event is not on a public road, whether or not it is authorised by the police or another relevant authority. Cover is also not provided for your vehicle being used on derestricted toll roads. Derestricted toll roads are roads the public can pay to have access to and where speed restrictions are temporarily or permanently suspended (including the Nurburgring).

Section 1 Liability to others

What we cover

Using your vehicle

We will cover any payments that have to be made by law for:

- death of or injury to another person; or
- damage to other people's property;

as a result of an accident arising from your vehicle being used.

Other drivers using your vehicle

We will cover you for the following.

- Another person using your vehicle with your permission as long as this is agreed on your certificate of motor insurance. They will be covered for death or injury to other people, or damaging property. Any passenger in your vehicle will also be given this cover.
- If we think it is necessary, we will arrange for a solicitor to represent anyone covered under this section.

Business use

- If your certificate of motor insurance includes business use, we will cover your employer if an accident happens when your vehicle is being used on business.

Guidance Notes

It is important to read your certificate of motor insurance to see how you may use your vehicle. We do not cover certain uses.

This section explains the cover available if other people claim against you, for injury to them or damage to their property.

This section covers your employer while you are using your vehicle on business as long as this use is allowed by your certificate.

Guidance Notes

Always check that other drivers have valid licences.

We do not have to settle claims under this section if anybody claiming can claim for the same loss on another insurance.

If your certificate allows you to drive a car which you do not own, you will be covered under this insurance, but only for liability to others.

Legal personal representatives

- If anyone covered by this insurance dies, we will deal with any claim made against their estate as long as the claim is covered by this insurance.

What we do not cover

- a Anyone who is not driving, but who makes a claim, if they knew the driver did not hold a valid driving licence.
- b Anyone who is covered by other insurance.
- c The death of or injury to the driver.
- d Damage, loss of use or any other loss to:
 - any motor vehicle which is covered under this insurance;
 - any property you or anyone else driving the vehicle owns or is looking after; and
 - any trailer, caravan or vehicle towed by or attached to your vehicle.
- e Death of or injury to any person during the course of their employment, except for the cover we must provide under the Road Traffic Acts or any other laws which apply to motor insurance.
- f Payment of more than £20 million (including legal costs) for damage to other people's property arising from any one claim or series of claims arising from one cause.

Section 2 Driving other cars

What we cover

We will extend section 1 to cover you while you are driving a car you do not own (with the owner's permission), or have not hired or leased, as long as you are not covered by any other insurance. This cover only applies in the United Kingdom. You should consult your certificate and schedule to see whether you have this extension.

What we do not cover

- a Any loss or damage to the car you do not own.
- b Any accident which happens outside the United Kingdom.
- c Any accident which happens when this insurance is not in the name of one person.
- d Any liability if you no longer have possession of your vehicle, if it has been damaged so much that it is not worth repairing, or if it has been stolen.
- e Any liability under this insurance if the owner or keeper of the car you are driving has not arranged his or her own insurance on the car to cover his or her liability to other people.

Section 3 Legal costs

What we cover

We may provide a legal representative to advise and represent anyone covered under section 1, if proceedings are taken out against that person for manslaughter (including any costs arising from you being prosecuted under the Corporate Manslaughter and Corporate Homicide Act 2007) or causing death by dangerous or careless/inconsiderate driving.

What we do not cover

- a Costs covered by another insurance policy.
- b Proceedings where the driver is under 21 at the time of the accident.
- c Proceedings where the driver was under the influence of alcohol or any drug at the time of the accident.

Our cover under this section is limited to £5,000 in any one year of insurance.

We can settle any claims by paying you £5,000, less the costs that have already been paid.

Section 4 Towing

What we cover

We will extend section 1 to cover you while your vehicle is towing a caravan, trailer or vehicle which must be attached securely to your vehicle in line with the manufacturer's recommendations.

What we do not cover

We will not cover damage or loss to the caravan, trailer or vehicle, or contents carried in them. We will not make any payment in relation to the death of or injury to any person travelling in a vehicle you are towing unless that vehicle is being towed because it has broken down, other than where we are required to under the Road Traffic Acts or any other legislation applicable to motor insurance.

Section 5 Damage to your vehicle

What we cover

This section only applies to your vehicle.

We will cover you under this section for damage to your vehicle (less any excess which applies).

We will also provide cover for damage to accessories while fitted to your vehicle or while in a locked private garage. We will not pay more than £500 (less any excess which applies) for damage to accessories while in your locked private garage. The value of the accessories must be within the maximum amount we pay.

We will not pay under this section for damage more specifically covered under sections 6 or 7 of this insurance.

Guidance Notes

Under this section we will provide a solicitor to represent you if a 'manslaughter' or 'causing death by dangerous driving' charge is brought against you after an accident.

There are limits to the cover we provide.

This section allows you to tow a trailer, caravan or other vehicle.

Only one vehicle may be towed at a time, and cover only applies when the vehicle is attached to your vehicle.

The cover for your vehicle will stay the same, but we will insure the trailer or vehicle being towed only for liability to others.

Section 5 only applies to comprehensive insurance, and covers damage to your vehicle.

Guidance Notes

Unless endorsement SMU applies, you must put your vehicle in a garage overnight, otherwise loss or damage cover will not apply. This restriction does not apply while your vehicle is away from your home or normal address during the course of a journey.

If you agree to use one of our approved repairers you may be entitled to a courtesy car for the duration of the repair. This is subject to availability of courtesy cars at the repairer and whether your car can be repaired.

We will either:

- repair or replace your vehicle; or
- pay you an amount of cash.

The most we will pay

The most we will pay will be the market value of your vehicle immediately before the loss or damage (including its spare parts and accessories).

If your vehicle is under a lease agreement the most we will pay is the written down value or the market value whichever is the lesser.

Salvage

If your car is totally destroyed or damaged so badly that cost of repairs will be equal to or more than the value of your vehicle as shown on the schedule, we will, at your option, either:

- a pay you an amount of cash equal to the agreed or market value, with the salvage becoming our property; or
- b pay you an amount of cash equal to 70% of the agreed or market value, with the salvage remaining your property.

We will only settle a claim under option b if the inspecting motor engineer appointed to assess the damage to your vehicle agrees that it can be repaired in line with the Code of Practice for the Disposal of Motor Vehicles.

Overnight garage

If your vehicle is parked and unattended within one kilometre (0.6 miles) of:

- your home; or
- any other address, if we have agreed to that address;

it must be in a locked garage between 10pm and 6am, otherwise you will not be covered under the rest of this section of the policy

Courtesy Car Provision

Following a claim under this section of your policy, you may be entitled to a courtesy car while your car is being repaired. This is subject to:

- us agreeing that the claim is covered under your policy;
- the repairs being carried out by one of our approved repairers; and
- the approved repairer having a car available for you to use.

You will not be entitled to a courtesy car if:

- we cannot repair your car or the cost of repairing your car is uneconomical or
- your policy does not cover the damage.

The courtesy car will be insured on a comprehensive basis (including business use if your policy provides this cover) for the period for which we have agreed you may have the courtesy car. Only you and those drivers permitted to drive under your policy will be covered.

You will be required to pay an excess towards any loss or damage to the courtesy car whilst it is in your possession. The excess payable by you will not exceed that payable by you under the terms of your policy.

If we have provided you with a courtesy car and while your car is being repaired it becomes apparent that we cannot repair your car or that the cost of repair is uneconomical you must return the courtesy car within 2 days of us informing you. If you do not, you will have to pay the hire costs of the courtesy car after this period. You will have to pay the hire costs if you keep the courtesy car for longer than agreed.

Any hire costs which you have to pay may either be deducted from the settlement we agree to pay you, or added to your excess.

You will have to pay the running costs of the courtesy car (e.g. the cost of fuel) and also any fines or penalties incurred by you, while you are using the car.

Section 6 Loss or damage to your vehicle by fire or Theft

What we cover

This section only applies to your vehicle.

We will cover you under this section if the loss or damage to your vehicle is caused by fire, theft or attempted theft (less any excess which applies).

We will also provide cover for damage to accessories while fitted to your vehicle or while in a locked private garage. We will not pay more than £500 (less any excess which applies) for damage to accessories while in your locked private garage. The value of the accessories must be within the maximum amount we pay.

We will not pay under this section for loss or damage more specifically covered under section 7 of this insurance.

We will either:

- repair or replace your vehicle; or
- pay you an amount of cash.

Theft of keys

If the keys or key fob for your car are stolen, we will pay the cost of replacing:

- the keys or key fob;
- the door locks or boot lock (or both); or
- the ignition and steering lock.

We will also pay the cost of re-coding or, if necessary, replacing any alarm system your car has.

The most we will pay as a result of theft of keys or key fob is £500 for any one incident.

Guidance Notes

Please see page 11 for exceptions to section 5.

Under this section we will provide cover when your car is stolen, damaged by thieves or damaged by fire. You will need to pay the excess shown on your schedule.

You should make every effort to protect your car from theft. Please make sure you keep your keys safe when you are not using your car.

Guidance Notes

Unless endorsement SMU applies, you must put your vehicle in a garage overnight, otherwise loss or damage cover will not apply. This restriction does not apply while your vehicle is away from your home or normal address during the course of a journey.

If you agree to use one of our approved repairers you may be entitled to a courtesy car for the duration of the repair. This is subject to availability of courtesy cars at the repairer and whether your car can be repaired.

- b pay you an amount of cash equal to 70% of the agreed or market value, with the salvage remaining your property.

We will only settle a claim under option b if the inspecting motor engineer appointed to assess the damage to your vehicle agrees that it can be repaired in line with the Code of Practice for the Disposal of Motor Vehicles.

Overnight garage

If your vehicle is parked and unattended within one kilometre (0.6 miles) of:

- your home; or
- any other address, if we have agreed to that address; it must be in a locked garage between 10pm and 6am, otherwise you will not be covered under the rest of this section of the policy.

- us agreeing that the claim is covered under your policy;
- the repairs being carried out by one of our approved repairers; and

You will not be entitled to a courtesy car if:

Only you and those drivers permitted to drive under your policy will be covered. You will be required to pay an excess towards any loss or

damage to the courtesy car whilst it is in your possession. The excess payable by you will not exceed that payable by you under the terms of your policy.

What we cover

If you have comprehensive cover you can claim for damage to the glass in your vehicle's windscreen, windows or sunroof.

- If you ask Chaucer Glassline to arrange to replace the glass, you will have cover up to the limit shown on your schedule but you will have to pay the excess also shown on your schedule. (If Chaucer Glassline cannot arrange the replacement, your level of cover shown on your schedule will remain but your excess will be £100.)

Extended cover

•• If we agree beforehand, you may extend your insurance to apply to certain other countries covered by the International Green Card System.

If the cover under sections 5, 6 and 7 has been extended to apply abroad, we will also cover any foreign customs duty you have to pay as a direct result of the loss of or damage to your vehicle.

Spanish bail bond

- Our representatives (in Spain) can act to release your vehicle or you if you or it are held after an accident. Our representatives can pay up to £1,000 to do this. If they pay any money under this bond, you will have to refund the amount to us.
- Autorizamos a la Oficina de Aseguradores de Automóviles de Madrid o sus representantes designados a actuar en nombre de nuestro Asegurado para obtener la liberación del vehículo y/o del Asegurado y/o de la persona autorizada para conducir el mismo de detención oficial como consecuencia de un accidente.
A tal efecto, la Oficina de Aseguradores de Automóviles de Madrid o sus representantes designados queda autorizada por el presente para establecer garantías o depósitos hasta £1000 o 1500 euros en concepto de fianza penal. (La finalidad de esta garantía no es aplicable en casos de multas.)

Section 13 Medical expenses

What we cover

If there is an accident involving your vehicle, we will pay up to £250 to cover the medical expenses of each person who is injured while they are in your vehicle.

Guidance Notes

* If you stay abroad for more than 30 days a year without our agreement, your cover will reduce to the amount needed by law in that particular country or that needed by law in this country when that cover is higher.

•• We can extend cover to certain other countries. Please ask your insurance adviser to arrange this for you.

• In Spain you need special cover, known as a bail bond. This bail bond is usually enough to prevent your vehicle being impounded in Spain after an accident.

• We have explained your Spanish bail bond cover in Spanish in case you need to show it to the authorities there.

In some circumstances you may have to pay for medical treatment after an accident. You are covered up to £250 for each person for each accident.

Guidance Notes

If you are a 'retail' customer, you may cancel the insurance within 14 days of its start without giving any reasons. You will be entitled to a pro-rata refund of your premium, not including any charges to cover costs.

We may cancel the insurance by sending you seven days' notice. You may be entitled to a refund of part of your premium. You may also cancel this insurance by returning your certificate of motor insurance and you may be entitled to a refund if you have not made a claim.

Section 14 Cancellation

Cancelling during the initial period of cover – 'Retail customers' only

If you have entered into this contract of insurance as a retail customer, you have a right to cancel this insurance. To do this, you must tell us or your insurance adviser within 14 days of the start date (or annual renewal date) of your policy or (if later) the day you receive the policy documents and supporting information.

You must return your certificate of motor insurance to us or your insurance adviser as part of your notice of cancellation.

If you choose to cancel the insurance policy during this initial period of cover, you will have to pay 'pro-rata' rates for the period of time you have had insurance cover. Further charges may include a proportion of any commission paid to your insurance adviser and a proportion of any fees charged by your insurance adviser, sufficient to cover their costs.

Cancellation by us

We or your insurance adviser can send you seven days' notice to your last known address. If you return the certificate of motor insurance to us, we will refund the part of your premium which applies to the period of the insurance you have left. If we or your insurance adviser cancel this insurance because you have not paid the full premium, we will work out the refund using the rates shown below. We will not give a refund if anyone has claimed in the current insurance period.

Cancellation by you

You can cancel this insurance after the initial period of cover set out in 'Cancelling during the initial period of cover – 'Retail customers' only' by sending back your certificate of motor insurance and schedule to us or your insurance adviser. If you have not made any claims in the current period of insurance, and you are not going to make a claim, we will work out a charge for the time you have been covered using our short-period rates shown below. We will refund any amount we owe you.

Period of time you have had the cover, up to:	Refund of premium
One month	70%
Two months	60%
Three months	50%
Four months	40%
More than four months	0%

We will only make a refund for any reason above after the initial 14 day period if your annual premium for each vehicle is more than £100.

Section 15 No-claim bonus

If nobody makes a claim under your insurance during the insurance period, we will give you a discount when you renew your insurance. The discount you will receive will depend on the no-claim bonus scale we are using when you renew your insurance.

If you make a claim in any insurance period, we will reduce the discount you receive.

If two or more claims are made in any one period of insurance, you will lose all your no-claim bonus.

If more than one vehicle is covered by this insurance, we will assess each vehicle individually.

Your no-claim bonus will not be affected if you only claim for a broken windscreen or windows. You cannot transfer your no-claim bonus to someone else.

Protected no-claim bonus

Depending on certain conditions you may be able to protect your no-claim bonus if you pay an extra premium. Your no-claim bonus is only protected if this is shown on your schedule.

If your no-claim bonus is protected, we will not reduce it if you do not make more than two claims during any five years of insurance.

If three or more claims are made during any five-year period, we will reduce the discount you receive.

Guidance Notes

We will give you a discount on your premium each year if you do not make a claim.

If you make a claim and we cannot recover the amount we pay, we will reduce the bonus even if the event was not your fault.

If you make two or more claims in one insurance year, you will lose all your bonus.

Claims for just glass breakage do not affect your no-claim bonus.

By paying an extra premium you can protect your no-claim bonus. Although your level of no-claim bonus may be protected, this does not mean that your premium will not be increased if, for example, your accident or conviction record justifies this. Your insurance adviser can give you more details.

Guidance Notes

These general exceptions apply to all sections of your insurance and explain when your insurance will not cover you.

- 1 **The driver of your vehicle must be covered on your certificate.**

This exception does not apply to the cover we must provide under the Road Traffic Acts or any other laws which apply to motor insurance. This exception does not apply to sections 5, 6, 7 and 8 of this insurance.

Guidance Notes

These general exceptions apply to all sections of your insurance and explain when your insurance will not cover you.

If a yearly mileage applies to your policy, this will be shown on your schedule.

Your insurance will not cover you if you go above this mileage limit in any one year of insurance.

If you believe that you are likely to go over your mileage limit for the year, you should tell your insurance adviser immediately.

Guidance Notes

You must keep to these conditions or your insurance will not be valid. Your insurance only covers people who meet these conditions and all the information you give to us in the proposal form or statement of insurance must be completely true and accurate.

We will not pay any claim which is false or fraudulent.

If your vehicle is broken into, stolen or vandalised, you must tell the police.

This is the procedure for reporting accidents and thefts to us. Do not admit an accident or loss was your fault or negotiate a claim without our permission.

General conditions

- A We will only provide the cover described in this insurance under the following circumstances.
- 1 Anyone claiming cover under this contract has kept to all the conditions in this document and any endorsements.
 - 2 The information you gave on the proposal form or statement of insurance and any declaration is true and complete. If you do not give us accurate information, this could lead to your claim not being paid and/or your insurance not being valid.
 - 3 'Your vehicle' means any vehicle you have told us about and that we have agreed to cover. The vehicle must be your property and registered in your name. If you change the vehicle covered by this insurance or get an extra vehicle which you need cover for, you must tell us in writing beforehand.

We will only provide cover if you have paid the premium.

- B If a claim is made which you or anyone acting for you knows is false or exaggerated, or if you give us incorrect information or fraudulent documents, we will not pay any part of the claim, cover under this insurance will not be valid, and you will lose any premium you have paid.
- C After any event which could lead to a claim, tell us immediately by phoning or writing to us as shown at the end of this document. If any incident involves theft, attempted theft or vandalism, you must also report this to the police as soon as the incident is discovered.
- D You must send us any letters, writ or summons as soon as you receive them, together with a filled-in report form. Do not answer any letters – send them straight to us. You must also tell us if you know about any prosecutions involving anyone covered by this insurance. If you have an accident or loss, you must not admit to anyone else that it was your fault or negotiate or refuse any claim unless you have our permission.
- E We are entitled to take full control of any claim and we must be given whatever information and help we need. You must not do anything that will affect our interest in this insurance. We can prosecute or defend any claim in your name.
- F If a mileage restriction applies and you go over the yearly limit shown on your schedule during the current period of insurance, cover under this insurance will not be valid.
- G If the law in any country to which this insurance applies obliges us to make a payment which we would not otherwise have paid, we reserve the right to recover the amount paid from you or the person, company, partnership or firm that incurred the liability which made the payment necessary.
- H If your vehicle is damaged and a part or accessory cannot be

repaired or replaced, we will only pay you the amount shown in the manufacturer's last United Kingdom list price. If we know that your vehicle is an imported vehicle and we have agreed to cover it, and the damaged part or accessory has never been available in the United Kingdom, we will only pay the manufacturer's last list price in the country your vehicle came from. We will not pay for the cost of importing any part or accessory needed to repair your vehicle.

- I If your vehicle is under a hire purchase or leasing agreement and it is damaged and cannot be repaired or replaced, we will pay the claim to the owner shown in that agreement.
- J If there is other insurance in force which covers the same loss, damage or liability as our insurance, we will only pay any amount above that provided by the other insurance. This condition does not make us responsible for any amount we would not otherwise have paid under any section of this insurance.
- K You must take all reasonable steps to keep your vehicle in a roadworthy condition at all times, and protect your vehicle and its contents from loss or damage. You must lock and secure your vehicle when you leave it. We can examine your vehicle at any reasonable time.
- L If you have an accident, you must take all possible steps to protect your vehicle and its accessories and contents. If the damage to your vehicle is covered by this insurance, you must arrange for your vehicle to be taken to the nearest competent repairer and we will accept any reasonable costs as part of your claim. We will not pay for any further damage you cause if you try to drive your vehicle. When your vehicle is at the repairer, you must arrange for a detailed estimate for the cost of repairs to be sent to us immediately. One of our approved automotive assessors must inspect your vehicle before repairs are started. We will not be responsible for the cost of any new parts or accessories ordered, or repairs carried out, without our agreement. If we think the estimate is unreasonable, we may negotiate a lower estimate or pay for any work that may have been done and move your vehicle to another repairer. We have the right to move your vehicle to a safe storage place without asking you.
- M If we choose, we may arrange for the repairer to use suitable parts and accessories that are made by a company other than the manufacturer of your vehicle.
- N You cannot transfer this insurance to anyone else.
- O If you pay your premium by instalments and we have received a deposit premium from you, if we then do not receive an instalment when it is due, we will send you seven days' notice of cancellation. You must pay the full amount you owe before the seven days are up. If you do not pay the full amount, we will cancel the insurance immediately. You must return the

- P You must tell us as soon as possible about any changes which could affect your insurance and which have happened since the cover first started or since you last renewed it. If you do not tell us about these changes, your insurance may not cover you fully or at all. If you are not sure whether any facts are important, please ask your insurance adviser. Here are some examples of changes you should tell us about:

 - A change in the way you use your vehicle.
 - A change of address.

- S Unless we have agreed otherwise with you, this insurance is governed by the law applying in the particular country in the United Kingdom you live in. If there is any dispute over which law is to apply to this insurance, it will be English law. We will not cover any payments that are awarded by a court in a country outside of the United Kingdom unless your cover has been extended to that country under section 12 of this insurance.
